What's in the box?

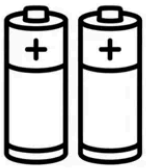

Stanlee QLED TV

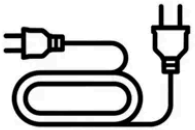

Stanlee Smart Remote

TV Stands and Screws

x2 AA Batteries

Power Cable

Quick Start Guide

2 Set up in 4 steps

Fix the stand

Screw both feet on, TV face-down on a soft cloth. Or let our team wall-mount it.

Plug in & switch on

Batteries in the remote, then press Power.

Connect Wi-Fi

Pick your language, then your Wi-Fi network.

Sign in

Accept the terms, then open the Apps store.

5 Quick fixes

No power	Check the plug and switch, try another socket.
No picture from set-top box	Press Input / Source and pick the right HDMI.
Remote not working	Change batteries. Re-pair it from Settings.
Apps slow	Restart the router and the TV, install updates.

Still stuck? We fix most things on a video call.
